RE: Authorization for Communication with Examiners on the Internet and by Facsimile. In the matter of communication for application Service Number 09/923,311

I refer to your recent email ( dated 15 Feb 2005) which you alluded to the non-use of internet communication. In fact from our records we have previously authorised the use of internet communication faxed on the 12 Sept 2004. However if said fax is missing, then we are resending the same again as follows.

Recognizing that Internet communications are not secure and my postal service is not reliable, I hereby authorize the USPTO to communicate with me concerning any subject matter of my applications by electronic mail or facsimile. I understand that a copy of these communications will be made of record in the application files.

The following details for my emails address to be used (select one of any):

Khkwan@yahoo.com or Chris@sydneyx.com or  
Ecorpnu@yahoo.com.au or Chris@ecorpnu.com

This authorization is made under the requirements of MPEP 502.03

Yours truly,

Khai Hee KWAN
